EXPERIENCE GAMING HISTORY THROUGH PLAY

Are you looking for a unique experience for the whole office? Look no further! **The Nostalgia Box** has you covered this upcoming season!

Take a stroll down memory lane and DISCOVER the history of video games and REPLAY some of your childhood favourites at Australia's First and Only Video Game Console Museum.

The Museum is home to an impressive collection of over 100 consoles, which date back to video gaming's humble beginnings in the 1970s through to the high-tech wonders of today.

Reconnect with some old classics, uncover fun facts and unexpected creations as you explore the journey of the video game console. Replay all the classic games like Pong, Space Invaders, Super Mario, Sonic, Crash Bandicoot and many more in our arcade gaming area.

Need something extra? We can also arrange a variety of additional games and activities to keep the whole team entertained.
