

School Excursions at Nostalgia Box!

**Discover & Experience the History
of Video Games through play.**

The Museum is home to an impressive collection of over 100 consoles dating from the 1970s. Explore how video games have evolved alongside technology and learn about the key milestones in video game history, like the rise and fall of Atari, invention of the modern controller, CDs and virtual reality console.

The Games Area presents an opportunity for students to experience some of the most popular games. From Pong, Space Invaders, Super Mario Bros to Crash Bandicoot, our wide range of games and consoles will suit all ages.

The excursion includes worksheets and information which has been prepared to align with different areas of the History and Technology curriculum. Or it can even be just a fun day out for the class!

Why Visit Us?

It's a fun learning experience for the students!

The museum offers an experience that helps children to learn the changes in technology over time and the effects it has on how we communicate and interact in a fun and engaging way.

Convenient location

We are located beside Scitech in West Perth. A 3-minute walk to train and bus stations.

Bundle with visits to other interesting facilities in the area!

With Scitech next door you can tour both facilities for one full day of activities.

Visits are not weather dependent

Exhibition is indoor. Rain, hail or shine you will always have an awesome time!

Disability friendly

The museum is wheelchair accessible and has a disabled toilet within the facility.

Toilet facilities

There are toilets within the building including a disabled restroom.

Safety first

Visit to The Nostalgia Box is safe for all attendees. There are incident handling procedures in place in the case of an emergency. Appropriate safety measures are also put in place within the museum.

Fantastic lunch break spots around the museum

Have your lunch inside at Nostalgia Box or let us cater for you! Looking for somewhere outdoors? Both Harold Boas Gardens and Totterdell Park only a 6-minute walk away.

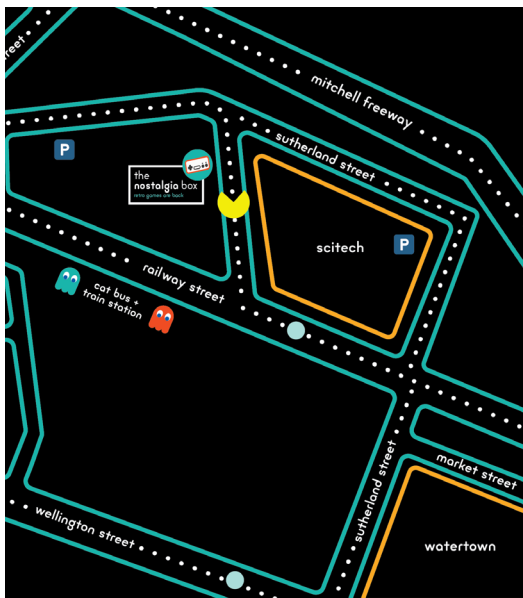

Students are provided with activity material for the excursion

We prepare materials that students can work on during their visit. Questions and answers will be provided to teachers beforehand.

Chartered vehicle access

Drop off right outside the front doors or along Sutherland Street.

General Overview

Student capacity

The museum offers an experience that helps children to learn the changes in technology over time and the effects it has on how we communicate and interact in a fun and engaging way.

Duration

Allow at least 1 hour for the visit

Price

\$9-13 Per Student

\$11 Per Additional Adult (according to supervisory ratios)

Supervisor/supervisory team

The Nostalgia Box will have at least one staff member on duty at all times to work with the students and teachers, however they will not take any role in a supervisory context. Please note that the staff member on duty will monitor behaviour and will intervene where behaviour or activities put property and/or safety of individuals and other visitors at risk.

As such, we do require a supervisory team for excursions to The Nostalgia Box. The school supervisory team must accompany students throughout the excursion, actively monitoring behaviour and to intervene when necessary.

Payment options

Option 1 – Payment can be made on the day via cash/credit card. A tax receipt will be provided on the day.

Option 2 – An invoice can be issued to the school 7 days after the excursion.

External provider information

Staff members at The Nostalgia Box have a current Working with Children Check and card. We are an Accredited Tourism Business meaning we have met the specific criteria ensuring that we are committed to exceeding your expectations with great customer service and providing the highest standards of business practice.

Emergency response plan

In the event of an emergency it is essential that all school visitors take directions from The Nostalgia Box staff.

If evacuation is essential all visitors will be assembled on grass area at the corner of Plaistowe Mews and Sutherland Street.

Teachers will need to do a roll call and must immediately notify The Nostalgia Box staff if any students are missing. It is suggested that school supervisory teams have access to a list of the name of participating students, supervisors' contact telephone numbers, student medical information and any other relevant health information.

Public Liability Insurance

Full Public Liability Insurance. Certificate of currency document can be provided upon request.
